

AQUACULTURE CRSP 21ST ANNUAL TECHNICAL REPORT

Contents

I. PRODUCTION OPTIMIZATION RESEARCH

POND DYNAMICS

Effects of Pond Age on Bottom Soil Quality (10PDR1)	5
Workshops on Using Principles of Pond Dynamics to Potimize Fertilization Efficiency (10PDR2)	13
Aquaculture Training for Kenyan Fisheries Officers and University Students (10PDR3).....	19

FEEDS AND FERTILIZERS

Nutrition of <i>Colossoma macropomum</i> and <i>Piaractus brachypomus</i> (10FFR1)	25
Broodstock Diets and Spawning of <i>Colossoma macropomum</i> and/or <i>Piaractus brachypomus</i> (10FFR2)	31
Broodstock Diets and Spawning of <i>Colossoma macropomum</i> and/or <i>Piaractus brachypomus</i> (10FFR2A)	35
Polyculture of Grass Carp and Nile Tilapia with Napier Grass as the Sole Nutrient Input in the Subtropical Climate of Nepal (10FFR3)	41
Development of Economically Feasible Feeds for Semi-Intensive Culture of Tilapia, <i>Oreochromis niloticus</i> , Using Locally Available Agricultural By-Products (10FFR4)	51

REPRODUCTION CONTROL

Studies on Fate of Methyltestosterone and Its Metabolites in Tilapia and on the Use of Phytochemicals (10RCR1)	53
Selection of a New Nile Tilapia Genetic Line to Provide Broodstock for Southeastern Mexico (10RCR2)	61
IGF as a Growth Rate Indicator in <i>Oreochromis niloticus</i> (10RCR3)	65

AQUACULTURE SYSTEMS MODELING

Development of a Trophic Box Model to Assess Potential of Ecologically Sound Management for Cove Aquaculture Systems in Tri An Reservoir, Vietnam (10ASMR1)	69
----------------------------------------------------------------------------------------------------------------------------------------------------------------------	----

NEW AQUACULTURE SYSTEMS/NEW SPECIES

Amazon Aquaculture Outreach (10NSR1)	79
Studies on Reproduction and Larval Rearing of Amazonian Fish (10NSR2)	85
Survey Study of and Stocking Densities for Tilapia-Shrimp Polyculture (10NSR3)	
A: Survey of Tilapia-Shrimp Polycultures in Thailand	93
B: Stocking Densities for Tilapia-Shrimp Polyculture in Thailand	105
C: Survey of Tilapia-Shrimp Polycultures in Mexico and Honduras	115
E: Survey of Tilapia-Shrimp Polycultures in Philippines	123
Evaluation of Growth and Reproductive Performance of Three Strains of Nile Tilapia <i>Oreochromis niloticus</i> found in Kenya for Use in Aquaculture (10NSR4)	133
Techniques for the Production of <i>Clarias gariepinus</i> Fingerlings as Baitfish for the Lake Victoria Nile Perch Longline Fishery (10NSR5)	135

II. ENVIRONMENTAL EFFECTS RESEARCH

EFFLUENTS AND POLLUTION

Reaction of Liming Materials in Pond Bottom Soils (10ER1)	139
Elimination of Methyltestosterone (MT) from Intensive Masculinization Systems: Use of Activated Charcoal in Concrete Tanks (10ER2)	147
Environmental Impacts of Cage Culture for Catfish in Chau Doc, Vietnam (10ER3)	157

APPROPRIATE TECHNOLOGY

Regionalizing Training and Technical Assistance for Nongovernmental Organizations (10ATR1)	169
On-Farm Trials: Evaluation of Alternative Aquaculture Technologies by Local Farmers in Kenya (9ATR1)	173
Institutinalizing Web-based Information System for Tilapia Culture in Latin America (10ATR2)	183
Diversification of Aquacultural Practices by Incorporations of Native Species and Implementation of Alternative Sex Inversion Techniques (10ATR3)	189
On-Station and On-Farm Trials of Different Fertilizations Regimes Used in Bangladesh (10ATR4A)	197
On-Farm Trials of Different Fertilization Regimes Used in Bangladesh (10ATR4B)	207
Use of Clinoptilolite Zeolites for Ammonia-N Transfer and Retention in Integrated Aquaculture	

APPROPRIATE TECHNOLOGY (CONTINUED)

Systems and for Improving Pond Water Quality before Discharge (10ATR5)	217
------------------------------------------------------------------------------	-----

GIS: PLANNING, POLICY, AND GLOBAL DATA ANALYSIS

A Study of Aquaculture Brownfields: Abandoned and Converted Shrimp Ponds in Thailand (10GISR1)	227
Assessing Watershed Ponds for Aquaculture Development in Thai Nguyen, Vietnam (10GISR2)	235

III. SOCIAL AND ECONOMIC ASPECTS**MARKETING AND ECONOMIC ANALYSIS**

Optimal (Profit-Maximizing) Target Markets for Small and Medium-Scale Tilapia Farmers in Honduras and Nicaragua (10MEAR1)	251
Development and Evaluation of a Simple Market Feasibility Assessment Methodology (10MEAR2)	253
Regional Enterprise Budget and Business Plan Development (10MEAR3)	255
Economic and Risk Analysis of Tilapia Production in Kenya (10MEAR4)	257

ADOPTION/DIFFUSION

Institutional Techniques for Building Hillside and Levee Ponds for Water Supply and Aquaculture Development in Latin America (10ADR1)	259
Aquaculture Training for Kenyan Fisheries Officers and University Students (10ADR1)	265

FOOD SECURITY

Income, Food Security, and Poverty Reduction: Case Studies of Functioning Clusters of Successful Small-Scale Aquaculture Producers (10FSR1)	273
------------------------------------------------------------------------------------------------------------------------------------------------------	-----

FINALIZATION

Finalization, Management, and Distribution (10DSSR1)	279
------------------------------------------------------------	-----

PRODUCT DIVERSIFICATION

Characteristics of Fish Buys Likely to Purchase Farm-Raised Tilapia in Honduras and Nicaragua (10PDVR1)	281
Cost Containment Options for Tilapia Production in Central Luzon, Republic of the Philippines (10PDVR2)	293
Transfer of Production Technology to Nepal for Nile Tilapia, <i>Oreochromis niloticus</i> (10PDVR3)	299
